

# 2026

## Sponsorship Proposal

Established in October 2021, the Barramurra Public School P&C Association is a dedicated group of parents and community members working collaboratively with the school to support our students. Through fundraising initiatives and exciting events, we help provide essential resources and memorable experiences that enrich school life.

*Strong communities build bright futures - together we can make a lasting impact!*

# What We Do

We are a registered charity with the ACNC (The Australian Charities and Not-for-profits Commission.)

We work alongside our school community to raise funds that support student learning, wellbeing, and school facilities through inclusive events, community initiatives, and local partnerships.

## 2025 - Year in review

2025 was a landmark year for our school community, marked by strong engagement, successful fundraising, and meaningful investment in student programs and facilities. With the generous support of families, local businesses, and sponsors, we delivered a series of highly successful initiatives, including the Easter raffle, Mother's Day and Father's Day stalls, and a mega Colour Run.

These efforts enabled the delivery of new PSSA baseball jerseys, upgraded technology across the school, a new music program, and the establishment of an ANZAC memorial, creating lasting benefits for our students and school community. In addition, we were proud to secure a government grant that funded the installation of a shade sail over the playground play equipment area, significantly improving student comfort and safety.

As we look ahead to 2026, we invite our sponsors to partner with us in continuing this positive impact. Your support plays a vital role in helping us deliver enriching programs, improved facilities, and meaningful experiences that allow our students to learn, grow, and thrive.

# Fundraising Goals

Our fundraising efforts aim to provide essential resources that will create lasting benefits for our students and the school community.

Some of our goals include:

- Shade Structures to protect students from the harsh Australian sun
- Air conditioning for the school hall, especially for the hotter months
- Technology, such as iPads and laptops, to enhance learning opportunities for all students
- Sporting equipment and programs

Your support will help bring these goals closer to reality. Your generous contribution will make a meaningful difference in the lives of our students, and we sincerely appreciate your support.
